

Easterton Village Hall

The Management Committee has planned a programme of improvements to update the facilities and increase the enjoyment of the Hall by the community.

Progress so far includes:

New kitchen - nearly finished

Redecoration - nearly finished

And now we need - **New chairs**

We have 120 plastic chairs; good for everyday BUT when sitting for a long time it is nice to have softer seats, so we have chosen comfier chairs that will stack and be available to hire for weddings, etc

We will need to buy about 50 to start with and they cost £40 each (this includes proofing and a trolley)

**Please will you help buy some?
Your contribution will be greatly appreciated**
